

The Home and School Association is Going Green!

Help our school cut the expense of copying all the flyers that go home in the weekly communication envelope. This year, we would like to disseminate some of the information through email. That way, you can delete what does not apply to your family and just keep the information that you might need.

To get started, send an email (from the email address you want us to use when we contact you) to:

ststanshsa@comcast.net

Type "**Count Me In**" in the subject line and type your family name, student(s) name(s) and homeroom(s). Click **Send**.

We will send a reply back so that you know we got your address.

We will add your address to our contact list and communicate the good news throughout the year.

If you do not have email capability, please complete the slip below and return it to the school office by Oct. 1.

We hope everyone is able to join with us in our efforts to GO GREEN!

Name: _____

_____ I do not have email capability. Please continue to send all printed material home.

Student(s) in the school:

Name(s)

Homeroom(s)
