2022-2023 Sunday PREP Family Covenant

As a family participating in our Sunday Parish Religious Education Program, we understand the importance of living out the Gospel message and making faith formation a priority within our family.

We acknowledge that the Sunday PREP program (*in person and virtual*) combines both in class catechesis, which is taught twice a month by volunteer catechists, and also home catechesis, for which **we are responsible to work with our children.**

We will strive to be faithful through the following actions:

- † Actively participating in the life of the Parish, including regularly attending Mass, receiving the sacraments, and sharing our time, talent and treasure.
- † Committing to witness to our faith in Jesus Christ and the Catholic Church by praying daily with our children and integrating the faith into our daily work and family life.
- † Completing the “at home” lesson plans **with** our child/children **during the week that they are assigned.**
- † Participating in the parent session that is held concurrent with the children’s session on Sunday mornings (*for the in person classes only*) as a way to advance our spiritual journey, deepen our faith in Jesus Christ and enrich our knowledge of the Catholic faith. The Sunday session was established as a *family catechesis* program for levels 1 through 7. *If you have a schedule conflict and are not able to participate at all in the parent sessions this year, please contact the Coordinator of Religious Education before the start of the 2022-2023 PREP year. Attendance will be taken at the parent sessions. (Parents who volunteer in the Sunday PREP program fulfill this component of the program through their time in the classroom with the children.)*
- † Supporting the efforts of the PREP Program and its catechists through *regular, on-time attendance* for the weeks when classes are held. (*Doors open at 10:00am. Class begins at 10:15am.*)

We understand that if the format of the Sunday PREP Program is no longer working in our schedule, we may ask to return to the weekly Wednesday PREP Program after contacting the PREP Coordinator. Also, we understand that *if the above requirements are not met, we may be asked to switch to the weekly Wednesday session.*
