From The **PASTOR**

Dear Friends,

By the time you read this letter, I hope that a good portion of the new cemetery fence has been installed. I know that it's been quite a while since we had to rebuild the retaining wall along Third Street in the new cemetery, and I thank you for your patience with the unpleasing aesthetic of the temporary fencing. The plan all along has been to replace the existing fence with a more traditional-looking cemetery one, which you can now see. The new fence is made of high-quality aluminum and mimics the traditional wrought iron fencing found in many cemeteries around the world. The coating on the fence is designed to be weather and vandalism resistant. Ultimately, all of the white picket fence will be replaced by the new aluminum fencing, giving both of our cemetery properties a nostalgic look, that is practical and easy to maintain.

May God Bless You,

Fr. Sean

**Topic – Legacy of Life Foundation – Saving the Unborn and Supporting Young Mothers
Speaker – Judy Secoda**

The mission of the Legacy of Life Foundation is to assist women in crisis pregnancies to choose life for their child instead of abortion. They operate several women’s centers that offer many types of critically important services to support women who need help in giving birth and providing ongoing care for their newborn baby. Their centers provide resources to help women move from fear and desperation to hope and security. Join us to learn more about the Foundation’s lifesaving work, hear about their plans for expansion, and see how you can help in their mission to save the life of the unborn and support young mothers.

Thank you very much for your generous donations to our Parish Food Cupboard during the March Food Collection. You all again were wonderful in giving the cupboard just what we indicated was needed! We really appreciate all you do.

MINISTERIO HISPANO
Tercer domingo de Cuaresma

Esta misa es ofrecida por Guadalupe Galo, solicitado por Reina Mejia

Del **PASTOR**
©IPPC

Queridos amigos,

Para cuando lea esta carta, espero que se haya instalado una buena parte de la nueva cerca del cementerio. Sé que ha pasado bastante tiempo desde que tuvimos que reconstruir el muro de contención a lo largo de Third Street en el nuevo cementerio, y les agradezco su paciencia con la estética desagradable de la cerca temporal. El plan desde el principio ha sido reemplazar la cerca existente con una de aspecto más tradicional, que ahora puede ver. La nueva valla está hecha de aluminio de alta calidad e imita las vallas tradicionales de hierro forjado que se encuentran en muchos cementerios de todo el mundo. El revestimiento de la cerca está diseñado para ser resistente al agua y al vandalismo. En última instancia, toda la cerca blanca será reemplazada por la nueva cerca de aluminio, lo que dará a nuestras dos propiedades del cementerio un aspecto nostálgico, práctico y fácil de mantener.

Que Dios te bendiga,

Padre Sean
